Material logic by use.

CITY / FASHION

Portofino and Rally: soft hand, refined drape, tactile appeal, protected leather finishes.

TRAVEL / DAILY

Monaco and Regatta: supple but abrasion-resilient leather, functional hardware, reinforced stress points.

RESORT / CARRYALL

Riviera: soft sculptural body, durable anchoring, practical interior organization.

MATERIAL PERFORMANCE SPECIFICATIONS ARE INTENDED DESIGN STANDARDS, NOT CERTIFIED MANUFACTURING CLAIMS.

PHOTOGRAPHY

Two visual worlds. One identity.

PRODUCT / PRECISE

Centered, true transparent PNG, front and 45° angles, faithful materials.

EDITORIAL / CINEMATIC

Mediterranean light, real leisure, the bag clearly visible in the scene.

Editorial art direction.

LIGHT

Mediterranean daytime clarity; late-afternoon warmth; considered nocturnal scenes.

FRAMING

Architectural lines, directional movement, negative space for copy.

STYLING

Lived-in luxury; effortless clothes; no costume nostalgia or artificial excess.

HUMANITY

Natural gesture, real leisure, people living in the scene, not posing for wealth.

RETOUCHING

Keep leather grain and true color. No harsh halos, inconsistent shadows or reshaped products.

EXCLUSIONS

No stock wealth clichés, cartoon retro filters, neon overload or irrelevant props.

Clever, *never cute.*

CONFIDENT

Assertive. Understated. Never boastful.

OBSERVANT

Culturally fluent, attentive to the details of leisure.

DRYLY WITTY

A subtle wink. No puns, exclamation points or manufactured urgency.

CLEAR WHEN IT COUNTS

Dimensions, materials, warranty, delivery and care are plain and exact.

Writing guidelines in practice

WRITE THIS

"The Portofino. Sculptural metal handle. Soft leather body. Made for a very good entrance."

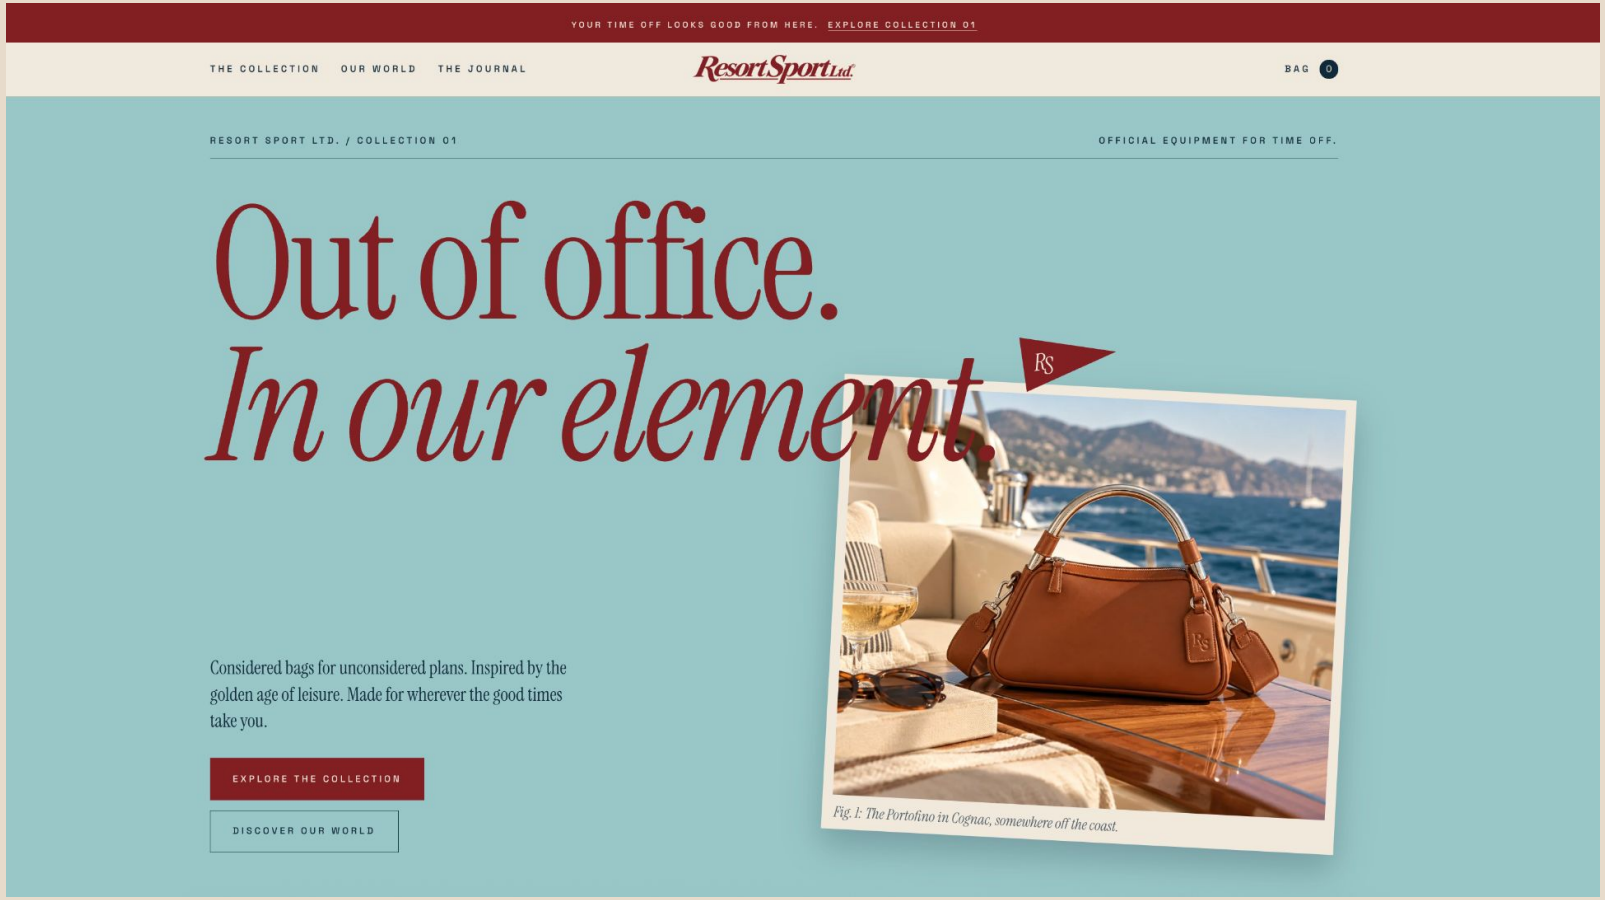

NOT THIS

~~"Introducing the ultimate must-have iconic luxury handbag! Elevate your lifestyle with unmatched quality!"~~

PRINCIPLE

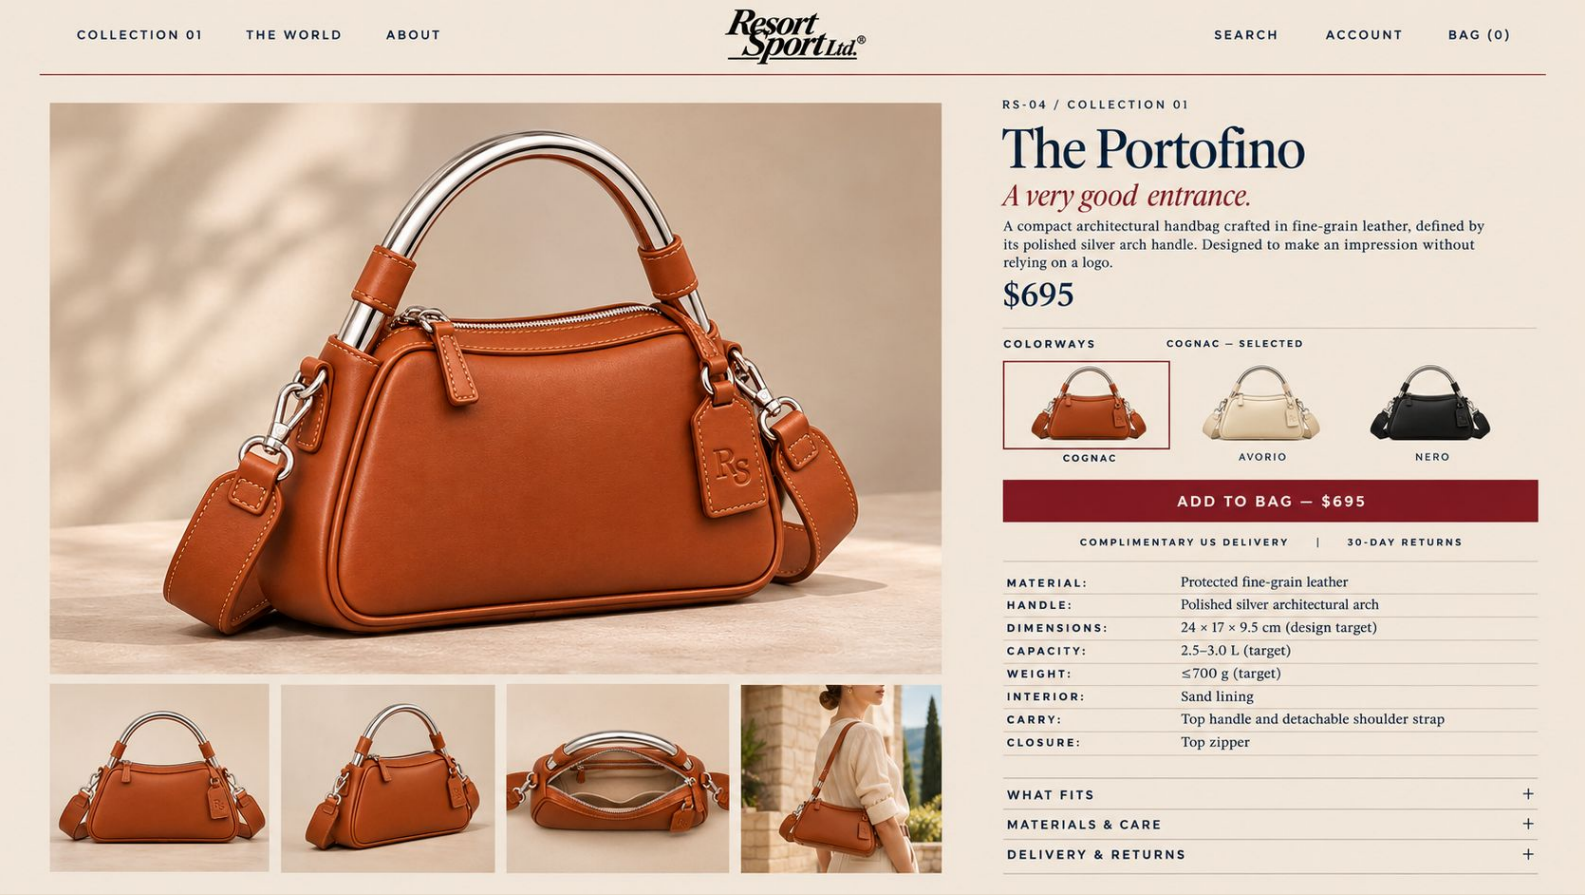

Personality creates interest; details earn trust. Never substitute wit for useful information.

Identity in commerce

Pool Aqua establishes the campaign environment; Cabana Red carries the headline, announcement bar and primary actions. The compact wordmark anchors navigation, while the Cognac Portofino remains the visual hero.

A product page that earns trust

Lead with the product and available colorways. Establish value through material and functional details, reassure through clear specifications and service policies, and make the purchase action unmistakable.

Unboxing is a brand moment

THE BOX

Ivory board, master wordmark in Cabana Red.

THE DUST BAG

Sand cotton, RS monogram only.

HANG TAG AND CARD

Monogram on the tag; wordmark on the card.

SAND INTERIOR IS A BAG-LINING RULE, NOT A PACKAGING REQUIREMENT

Editorial culture, not decorative nostalgia

THE JOURNAL / FIELD NOTES FROM THE GOOD LIFE

A little light reading. *A lot of living.*

Places to go, things to do, and compelling arguments for extending your stay.

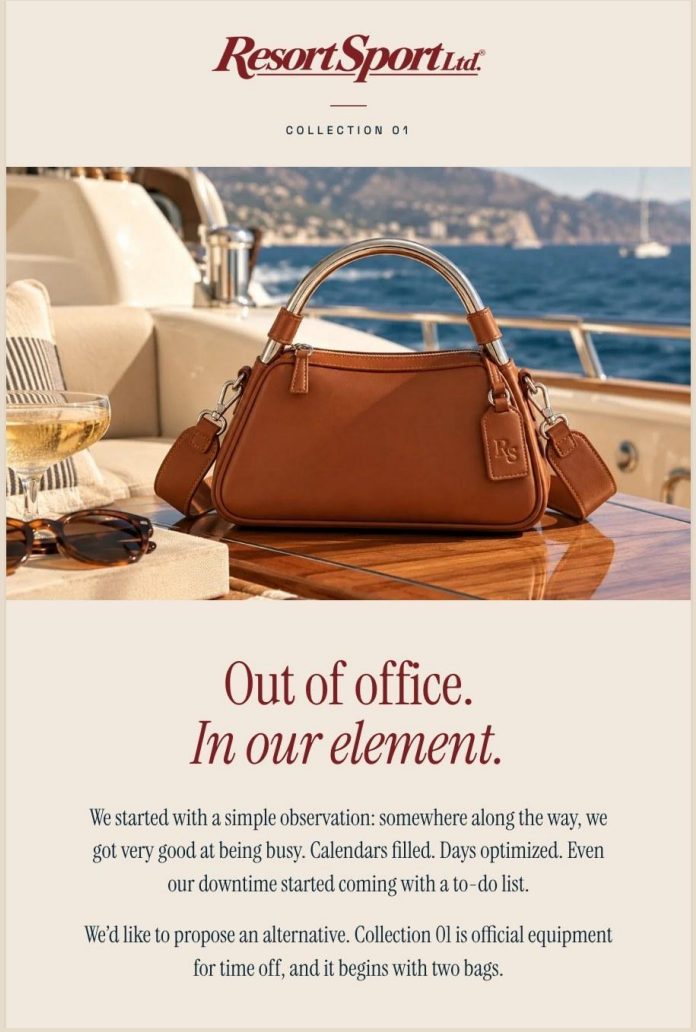

LEISURE STUDIES / 002

The Journal builds cultural relevance beyond the product catalog. Destination stories, leisure observations and product-led editorial give audiences a reason to return between purchase occasions.

Email that keeps its promises

The Time Off Club uses one recognizable email system: compact wordmark, Instrument Serif headlines, Cabana Red actions and clear service copy. Each communication has a distinct purpose. No countdowns, discount codes or manufactured urgency.

WELCOME
